MADE IN THE USA

Designed & Fabricated By Helps Inc. in White House, TN

The "Aux Box" is a perfect solution for your emergency needs.

SOME DISASTERS CAN'T BE AVOIDED, BUT PREPARATION CAN LESSEN THE IMPACT.

"An ounce of prevention is worth a pound of cure." - Benjamin Franklin

Benjamin Franklin knew the value of planning ahead. With our solar chargeable auxiliary power source you can have your portable power station charged for whenever you might need it.

Product Features

Haier 7" Portable Digital LCD TV

This unit features a high-resolution display with ATSC/NTSC tuner. The 16:9 and 4:3 aspect ratios make this unit fun and easy to use. With auto-channel programming, twin speakers, AV inputs and a built-in 2 1/2 hour rechargeable battery, this tv is going to take care of all your viewing needs. Keep the kids calm and pass the time by watching cartoons or plugging in a game system or mp3 player.

Cobra 800 Watt Power Inverter

The 800 watt power inverter is designed to run household electronics. There is a USB plug on the power inverter to allow easy accessibility to plugging in a laptop, mobile phone, video game system, or any number of other electronic devices.

Zeikos AA & AAA Battery Charger

From headlamps, to radios, to cameras, we run through the traditional batteries. We ensure that you've got the power for whatever you need whether it's lighting up your storm shelter or photo documenting the damage.

Red LED Voltage Meter

We provide installed a meter just for you so that you can check the current levels in your power supply at any time. This bright LED voltage meter operates on a push-button switch so as to not consume energy when not in use.

Solar-Powered Chargeability

Keep your unit charged and ready at all times with our wonderful set of solar panels. No need to worry about the unit being drained down when you need it most.

Emergency 911 Phone Included

We want to make sure you are safe in your storm shelter. Keeping an emergency enabled cell phone with your Aux Box is the best way to ensure you can get help if you need it. We supply an emergency enabled phone and charger with every unit.
